LEGGEREZZA IN CUCINA

In cucina la passione per le cose buone diventa passione per le cose belle: la serie CHEF nasce dalla volontà di offrire qualcosa di nuovo senza perdere di vista l'essenza. Niente fronzoli, nessun eccesso: linearità e uniformità tra canna e corpo per interpretare la leggerezza come icona dell'alta cucina contemporanea. Il tradizionale sistema di aggancio del supporto doccia viene sostituito dall'innovativo aggancio con magnete per creare una linea di rubinetteria per cucina che esprime al massimo gli elementi propri del made in Italy: design, qualità dei materiali, funzionalità, affidabilità e durata nel tempo..

LIGHTNESS IN THE KITCHEN

In the kitchen, the passion for good things becomes a passion for beautiful things: the CHEF line comes from the desire to offer something new without losing essence. No frills, no excess: linearity and uniformity between the spout and the mixer body to render the lightness as an icon of the contemporary haute cuisine. The traditional attachment system for the shower support is replaced by the innovative hook with magnet, creating a line of kitchen taps as expression of "Made in Italy" concepts: design, quality of materials, functionality, reliability and durability.

ELEGANZA E SEMPLICITÀ

Sono questi i due principi ispiratori che hanno portato alla nascita delle nuove linee di rubinetteria ELLE e EFFE.

Linea squadrata e profilo pulito, per amplificare un senso di eleganza e modernità che rendono queste serie adattabili ad ogni tipo di ambiente.

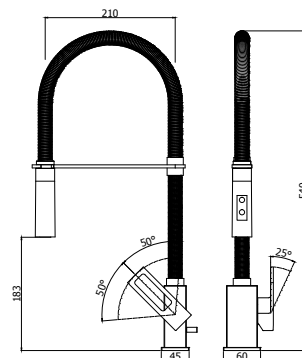

La cura del dettaglio si accompagna alla cura della funzionalità: un design di alta gamma si unisce ad una tecnica e componentistica di elevata qualità. Leva aperta per la serie EFFE, leva chiusa per la serie ELLE.

Due varianti di design per una serie unica nelle sue linee essenziali.
